Portraits of Mao on Postage Stamps

Postage stamps had a monetary denomination and were controlled by the state. However, in contrast to the state-controlled banknotes and coins which carried no portraits of Mao at all between 1949 and the 1980s,¹ there were numerous images of Mao on postage stamps. Postage stamps are, therefore, one of the most representative sources for the official use of portraits of Mao on everyday items that were intended for circulation throughout the PRC. This makes them an excellent reference against which to compare the non-state-controlled Mao badges. A list of stamps featuring portraits of Mao is given below. It includes stamps from the main series only, and does not cover stamps issued in regional series.² The list has been compiled from the Chinese catalogue *Zhonghua renmin gongheguo youpiao mulu* (Zhonghua jiyou chubanshe [ed.], 1985). For convenience, the reference numbers SG (and the more precise dates of issue) are from the *Stanley Gibbons Stamp Catalogue Part 17: China* (London, 2006).³

Mao's image appeared on stamps before, during and after the Cultural Revolution. A summary of the images of Mao on stamps in these three periods, down to the end of the 1970s, is given below. It is interesting to note that there were more stamps with portraits of Mao in the first period (14 series) than during the Cultural Revolution (11 series). Between 1976 and 1980 there were just four series of stamps with a portrait of Mao; and the once dominant portrait was reduced to a small portrait on a red flag background. Many of the Mao portraits seen on stamps are also seen on badges.

Mao on postage stamps, 1949–66

Fourteen series of stamps during this period have an image of Mao. In these early series, Mao is shown in civilian dress or in army uniform, sometimes alone, or with Zhu De, or Stalin. He appears with Stalin on three separate occasions. These stamps are in the Commemorative Series, and show Mao in different locations associated with revolutionary history: for example, Jinggangshan, Zunyi and Tian'anmen. He is shown seated on a few stamps: writing with brush and ink at a desk; and seated in a comfortable chair in Stalin's study. However, he is usually seen standing.

SG.1408–11: Set of four stamps, two of which feature a portrait of Mao, his right arm raised, at the CCP Consultative Conference. ('CCP Consultative Conference' commemorative series, issued 1 February 1950, reprinted 10 January 1955, designed by Zhang Ding and Zhong Ling).

Mao on postage stamps, 1966–76

The Cultural Revolution series consisted of 19 different sets of stamps. Of these, only ten present an image of Mao on one or more stamps. They show Mao in civilian dress, in head-and-collar images, holding a calligraphy brush, and at Tian'anmen. He is also shown in the long traditional Chinese gown he wears in Liu Chunhua's famous painting *Chairman Mao goes to Anyuan*. In all other cases he is shown in army uniform, sometimes in head-and-collar images, sometimes half-length.

Busts of Mao wearing army cap and collar are shown facing left, off-centre and right. He appears in army uniform, half-length, at Tian'anmen, on board a ship, and with peoples of the world.

Mao is seen among the people in three series: with Red Guards (where he towers above them) and with peoples of the world, some recognisable from their dress as coming from African, Middle Eastern and South American countries. These people wear a red Mao badge and hold a copy of *Quotations*. He is also presented above a literature and art troupe. In these three series, Mao's image is presented on a sun, emanating sunrays, high above the people.

SG.2243–53: Mao in army uniform, reviewing the crowds at Tian'anmen, right arm raised, left arm in a red armband, left hand holding his cap. ('Long live Chairman Mao' series, issued 1967, designed by Wu Jiankun).

SG.2354–61: A set of eight stamps, seven of which present different portraits of Mao: [SG.2355] standard portrait of Mao in civilian clothes (two ears visible) above *Quotations*; [SG.2356] head-and-collar bust of Mao in army uniform, facing left, on yellow background, above different peoples of the world, who hold up copies of *Selected Works*, with red flags in the background; [SG.2357] Mao in army uniform, standing among Red Guards, who hold copies of *Quotations*, red flags in the background. He towers above them, his right arm raised; [SG.2358] Mao in army uniform at Tian'anmen, hands on railing, facing right, red lantern in the background; [SG.2359] Mao in army uniform at Tian'anmen, walking to the left, his right arm raised, his left hand holding a cigarette, red pillar and lantern tassels in the background; [SG.2360] Mao in army uniform, his right arm resting on the railing of a ship, hands touching, blue sky behind; [SG.2361] Mao in army uniform (no cap), setting at desk, facing left, and reading white papers. ('Long live Chairman Mao' series, issued 1 May 1967, series designed by Xia Zhongdong, Chen Xiaocong, Shao Bailin, Sun Chuanzhe, Zhang Kerang, Wan Weisheng).

SG.2362–66: Five different stamps presenting the same image of Mao in different colours of red (Venetian red, carmine red, purple brown, orange red and cerise). Mao is presented in a head-and-collar bust, wearing army uniform, facing left. ('Wishing Mao an eternal life' series, issued 1 July 1967, designed by Liu Shuoren).

SG.2367–69: Mao appears in two of a set of nine stamps. On the

first stamp he is shown in head-and-collar bust, facing right. His image is placed on a yellow sun, emanating yellow sunrays, above a line of literature and art troupe personnel, who hold *Quotations* and red flags. On the second stamp he is presented in a standard portrait form (one ear), in civilian dress, placed on a yellow sun emanating yellow sunrays, and above a scene from a performance of the symphonic work 'Shajiabang'. ('Revolutionary literature and art' series, issued 30 January or 1 May 1968, series designed by Sun Chuanzhe, Wan Weisheng, Li Dawei, Chen Xiaocong, Sun Mingchun, Lu Tianjiao, Yang Baizi and Huang Li).

SG.2370–71: A set of two stamps featuring Mao. On the first, Mao is shown in a head-and-collar bust, in army uniform, looking off-centre, on a sun background emanating yellow sunrays, above rows of minute foreign peoples, who hold up copies of *Quotations*. On the second, Mao is shown among the foreign peoples, the same height as them, at Tian'anmen, with lantern tassels behind Mao. ('Chairman Mao with peoples of the world' series, issued 1 October 1967, designed by Shao Bailin, from original artwork by Ge Weimo, Ni Zhen, Huang Tongrong and Xu Xin).

SG.2372–85: A set of 14 stamps featuring Mao's poems, in his own calligraphy. Mao appears on one stamp, in civilian dress, sitting at a desk, holding a calligraphy brush in his right hand. ('Chairman Mao's poems' series, issued 1 October 1967, designed by Sun Chuanzhe).

SG.: A single stamp featuring Mao in army uniform, standing at Tian'anmen, his right arm raised. ('Statement by Mao in support of the Afro-American Resistance to Repression' series, issued 31 May 1968).

SG.2397–2401: A set of five stamps, each with a different quotation from Mao on it. The same portrait of Mao appears on all five stamps: Mao in head-and-collar bust facing off-centre, on yellow circular disc (representing the sun). ('Quotations from Chairman Mao' series, issued 1968, designed by Sun Mingchun).

SG.2403: Single stamp, reproducing the painting 'Chairman Mao goes to Anyuan' series. (Issued 1 August 1968, designed by Sun Chuanzhe, Wan Weisheng and Li Dawei, based on Liu Chunhua's famous painting *Chairman Mao goes to Anyuan*). When this stamp was first issued, it was decreed that the postmark should be stamped beside the stamp out of respect to Mao's image. After much re-use of the stamps the decision was rescinded.

SG.2405: Single stamp, showing Mao in head-and-collar bust, in army uniform, looking left. (Chairman Mao's Newest Directive, issued 30 November 1968, designed by Feng Meizhen and Peng Qinxun).

The remaining sets of stamps in the Cultural Revolution series do not portray Mao, but usually have a direct association with Mao by naming him, or featuring the *Selected Works of Chairman Mao, Quotations from Mao Zedong*, his poetry or his calligraphy.

In addition to the Cultural Revolution series, there is only one other stamp issued during this period which has an image of Mao. This stamp [SG.2325] is one from a set of four stamps [SG.2325–2328], and features young people dressed in red, holding up a portrait of Mao ('The Asian Games', issued 31 December 1966, designed by Wan Weisheng, Chen Xiaocong and Li Dawei).

Mao on postage stamps, 1976–80

Mao appears on four series of postage stamps during this period; these portraits are associated with the anniversary of Mao's death; the founding of the PLA; the CCP's 11th Conference of Representatives; and the PRC's 5th National Congress of Representatives. Mao is shown as a small portrait on a red-flag background on three of these four series.

SG.2731–35: Set of five stamps, one [SG.2731] of which features a small portrait of Mao facing left, on a red-flag background, above

three figures representing the army, navy and airforce, with an airborne plane in the background. ('50th anniversary of the founding of the PLA' series, issued 1 August 1977, designed by Zhang Kerang and Li Yinqing).

SG.2739–43: A set of six different portraits of Mao: For the 1st anniversary of Mao's death, a series with six different portraits of Mao was issued: standard portrait (one ear); at Yan'an; at the 2nd plenary session of the 7th National Congress; at Tian'anmen announcing the establishment of the PRC; in civilian dress, with Zhou Enlai and Zhu De before an airplane; reviewing the troops. ('The 1st Anniversary of Mao's Death' commemorative series, issued 9 September 1977, designed by Liu Shuoren).

SG.2736–38: Set of three stamps, one [SG.2737] of which features a small portrait of Mao facing right, on a red flag background; below is a line of different peoples. ('CCP's 11th Conference of Representatives' series, issued 22 August 1977, designed by Wan Weisheng).

SG.2755–57: Set of three stamps, one [SG.2755] of which features a small portrait of Mao facing left, on a red flag, above three rows of smaller flags. ('The PRC's 5th National Congress of Representatives' series issued 26 February 1978, designed by Liu Shuoren).

Notes

- 1 Mao's portrait appears on notes issued by various banks before the founding of the People's Bank of China in 1948. His portrait did not re-appear on PBC banknotes until the 1980s. See Wang 2003.
- 2 The earliest stamps with a portrait of Mao were a set of three stamps (5-*fen*, 1-*jiao*, 5-*jiao*) issued by the Shandong Wartime Post Office (山东战时邮局 *Shandong zhanshi youju*) in March 1944 [SG. EC19].
- 3 I am grateful to Paul Bevan for his helpful comments on this Appendix and for providing the Stanley Gibbons numbers.

Appendix 7

Revolutionary Songs

1 The Kangda College Song

On the banks of the Huanghe
We are gathered together, the finest descendants of the Chinese people.
Relying on our own resources, we face the responsibility
Of liberating humankind, of saving the nation.
Fellow students, study with diligence
Be united, alert, earnest and alive
That is our method.
Fellow students, labour with intensity
Battle bitter hardship
Make heroic sacrifices.
That is our tradition.
Surge forward like the waters of the Huanghe
Chase the Japanese bandits out to the east
Advance to the new society, advance
We are the labouring pioneers.

抗日军政大学校歌
黄河之滨集合着一群中华民族优秀的子孙,
人类解放, 救国的责任, 全靠我们自己来承担。
同学们努力学习, 团结紧张, 严肃活泼, 我们的作风。
同学们积极工作, 艰苦奋斗, 英勇牺牲, 我们的传统。
像黄河之汹涌澎湃, 把日寇驱逐于国土之东。
向着新社会前进前进, 我们是劳动者的先锋。

2 The East is red

The east is red
The sun rises.
China has brought forth a Mao Zedong.
He amasses fortune for the people,
Hu er hei yo
He is the people's saviour
Chairman Mao loves the people,
He is our guide,
To build a new China,
Hu er hei yo
He leads us forward!
The Communist Party is like the sun,
Wherever it shines, there is light.
Wherever there is a Communist Party,
Hu er hei yo, there the people are free.

东方红
东方红, 太阳升, 中国出了个毛泽东。
他为人民谋幸福, 呼尔嗨哟, 他是人民大救星!
毛主席爱人民, 他是我们的带路人,
为了建设新中国, 呼尔嗨哟, 领导我们向前走!
共产党 像太阳, 照到哪里哪里亮。
哪里有了共产党, 呼尔嗨哟, 哪里人民得解放!

3 There is great hope for Sichuan

As the mountains of Ba and the rivers of Shu are joined with Beijing.

We are joined heart to heart with the Central Committee's Cultural Revolution.

Chairman Mao is the helmsman

Comrade Jiang Qing holds up the great flag.

The Red Guard soldiers will forever be your Red Young Guard!

Though the risks are great, and the waves reach the sky,

We'll carry the weight of the revolution on our shoulders.

We swear to die protecting Chairman Mao's revolutionary line,

Willing to go through fire and water!

Mountains and rivers, rivers and mountains,

Our hearts are joined with the Central Committee's Cultural Revolution.

Closely follow the helmsman Chairman Mao,

Fight selfishness repudiate revisionism, advance!

The Red Guard soldiers' hearts are forever with the Central Committee's Cultural Revolution!

四川大有希望

巴山蜀水连北京, 我们和中央文革心连心.

毛主席是舵手, 江青同志擎大旗.

红卫兵战士永作您忠实的红小兵!

风险大, 浪连天, 革命的重担挑在肩.

誓死捍卫毛主席的革命路线, 赴汤蹈火也心甘!

山连水, 水连天, 我们和中央文革心相连.

紧跟舵手毛主席, 斗私批修永向前!

红卫兵战士永跟中央文革心不变!

4 Father is dear, mother is dear, but not as dear as Chairman Mao

Father is dear

Mother is dear

But not as dear as Chairman Mao

Heaven is vast

But not as vast as the Party's kindness

Father is dear

Mother is dear

But not as dear as Chairman Mao

A thousand are good

Ten thousand are good

But not as good as socialism

The rivers are deep, the seas are deep

But not as deep as class friendship

Mao Zedong Thought is the treasure of the revolution

Whoever opposes it, is our enemy.

The red army and the Communist Party share one aim

All the people of China

Follow the red army

One man, one horse, one gun

Our red army's power is great

Sickle, hatchet, old pick-axe

The revolution knows no bounds

When red flags unfurl

All under heaven will be red.

7 Sailing the seas depends on the helmsman

Sailing the seas depends on the helmsman
 All living things depend on the sun
 Moistened by rain and dew, young crops grow strong.
 Making revolution depends on Mao Zedong Thought.
 Just as fish need water, yo,
 And as melons cling to the vine
 So the revolutionary masses cling to the Communist Party
 Mao Zedong Thought is the sun that never sets.

大海航行靠舵手
 大海航行靠舵手, 万物生长靠太阳,
 雨露滋润禾苗壮, 干革命靠毛泽东思想。
 鱼儿离不开水哟, 瓜儿离不了秧,
 革命群众离不开共产党,
 毛泽东思想是不落的太阳。

8 Three Main Rules of Discipline and Eight Points for Attention

All revolutionary soldiers must always bear in mind
Three Main Rules of Discipline, Eight Points for
Attention

One: Obey orders in all your actions

Victory can only be achieved if all keep in step.

Two: Don't take a single needle or piece of thread from
the masses.

The masses support us and love us.

Three: Turn in everything captured.

Diligently lessen the people's burden.

We must carry out the Three Main Rules of Discipline
And never forget the Eight Points for Attention.

One: Speak politely

Respect the masses, do not be arrogant.

Two: Pay fairly for what you buy

When buying and selling, do not be overbearing.

Three: Return everything you borrow.

Return things promptly without damage or loss

Four: Pay for anything you damage.

Repay the true value, do not stint at all.

Five: Don't hit or swear at people.

Relinquish all warlord ways.

Six: Don't damage crops.

Marching troops must pay attention to this.

Seven: Don't take liberties with women.

Abandon all hooligan attitudes.

Eight: Don't ill-treat captives

Don't swear or pick pocket

Observe discipline and be aware

Supervise one another so that no one breaks the rules

Remember clearly the rules of revolutionary discipline

The people's soldiers everywhere should love the
people

Defend the homeland, advance forever forward

People throughout the country support and welcome
you.

9 The Internationale

Arise ye starvelings [*or* workers] from your slumbers
 Arise ye criminals of want
 For reason in revolt now thunders
 and at last ends the age of cant.
 Now away with all your superstitions
 Servile masses arise, arise!
 We'll change forthwith [*or* henceforth] the old
 conditions
 And spurn the dust to win the prize.
 Chorus
 Then come comrades rally
 And the last fight let us face
 The Internationale
 Unites the human race. (repeat)
 We peasants, artisans and others,
 Enrolled amongst the sons of toil
 Let's claim the earth henceforth for brothers
 Drive the indolent from the soil.
 On our flesh for too long has fed the raven
 We've too long been the vultures prey.
 But now farewell to spirit craven
 The dawn brings in a brighter day.
 (Chorus)
 No saviour from on high delivers
 No trust we have in prince or peer
 Our own right hand the chains must shiver
 Chains of hatred, greed and fear.
 Ere the thieves will out with their booty
 And to all give a happier lot.
 Each at his forge must do his duty
 And strike the iron while its hot.
 (Chorus).

起来饥寒交迫的奴隶
 起来全世界受苦的人
 满腔的热血已经沸腾要为真理而斗争
 旧世界打个落花流水奴隶们起来起来
 不要说我们一无所有我们要做天下的主人
 这是最后的斗争团结起来到明天
 英特纳雄耐尔就一定要实现
 这是最后的斗争团结起来到明天
 英特纳雄耐尔就一定要实现
 从来就没有什么救世主也不靠神仙皇帝
 要创造人类的幸福全靠我们自己
 我们要夺回劳动果实让思想冲破牢笼
 快把那炉火烧得通红趁热打铁才能成功
 这是最后的斗争团结起来到明天
 英特纳雄耐尔就一定要实现
 这是最后的斗争团结起来到明天
 英特纳雄耐尔就一定要实现
 是谁创造了人类世界是我们劳动群众
 一切归劳动者所有哪能容得寄生虫
 最可恨那些毒蛇猛兽吃尽了我们的血肉
 一旦把他们消灭干净鲜红的太阳照遍全球
 这是最后的斗争团结起来到明天
 英特纳雄耐尔就一定要实现
 这是最后的斗争团结起来到明天

Titles of Revolutionary Songs

The following table of revolutionary song-titles has been compiled from two separate collections, both published in 1977, thus within 12 months of Mao's death. The compilations are *Mao zhuxi, nin shi women xin zhong bu luo de hong taiyang* ['Chairman Mao, you are the red sun in our hearts that never sets'] (Beijing: Renmin yinyue chubanshe, 1977) and *Yinyue wudao shi shi 'Dongfang hong' gequ ji* ['Music and dance: 'The East is Red' collection of revolutionary songs'] (Beijing: Renmin wenxue chubanshe, 1977). The imagery and language in the songs reinforce the messages seen on the Mao badges. The song titles are given below, in *pinyin* order.

A= *Mao zhuxi, nin shi women xin zhong bu luo de hong taiyang* (毛主席, 您是我们心中不落的红太阳)

B= *Yinyue wudao shi shi 'Dongfang hong' gequ ji* (音乐舞蹈史诗 '东方红' 歌曲集)
