7

Turn paper plate over and attach fret board using masking tape.

8

Wrap two pieces of thread onto each lolly stick. The second two pieces need to be wrapped closest to the centre.

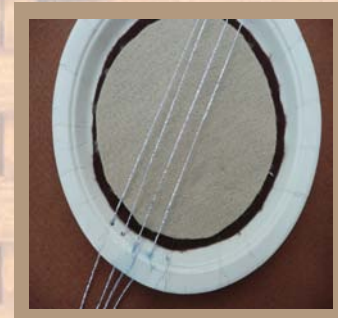

9

Attach lolly sticks to back of fret board with tape.

10

Pierce 4 holes at the base of the guitar. Pull strings through to the front and thread through holes.

11

Gather threads together and tape to the back of the plate.

12

Cut out a semi-circular piece of dark felt and glue over strings at the base.

13

Add 3 pieces of felt to decorate.

14

Create a charm for the guitar with a tassel, bead and tag. Write your name or initials on the tag and attach to the top of the guitar. Your moon guitar is now complete!
