Dear Dr White

Ancestral Human Remains

I wrote to you on July 6 to say that I expected the Board of Trustees to give initial consideration to your request at their meeting on October 6.

I am afraid that they were not able to do so but that they will do so at the next meeting, on November 23.

I apologise for the delay and I will of course write to you after the 23 November meeting.

Yours sincerely

Andrew Burnett
